There has been an increase in the tendency for foreign tourists to visit Japan in recent years, and that is not an exception in the districts of Nakano or Koenji that run along the JR Chuo Line. It feels like more foreigners are seen every day in these districts perhaps due to them having excellent access to Shinjuku. This booklet was written so that those foreigners would learn about the delicious restaurants and fun night life in Nakano and Koenji, and in doing so completely immerse themselves in the charm of those districts. Naturally, that does not change the fact that the numerous restaurants in this guidebook are also appealing to someone who is Japanese. Use this booklet as a guidebook that will allow you to find a restaurant you have never gone to before so you can enjoy yourself there.

ここ数年、日本を訪れる外国人観光客は増加傾向にあります。それは中央線「中野」「高円寺」も例外ではなく、新宿へのアクセスの良さも手伝ってか、街を行く外国人の数は日に日に増えている様に感じます。そんな外国人観光客に、「中野」「高円寺」の飲食店の美味しさ、夜の楽しさを知ってもらい、その魅力にどっぷりと浸かってもらうためにこの冊子を作りました。もちろん、掲載されているそれぞれの店舗は、日本人にとっても魅力的である事に変わりはありません。新たな飲食店を開拓するためのガイドブックとしてご活用下さい。

中野 NAKANO

Nakano is a “mecca of subculture” for things such as anime and manga. Meanwhile, it is also a district with a large variety of restaurants. All of the restaurants introduced here are skilled enough to be called a “sanctuary for alcohol and food”.

マンガ・アニメなどを始めとする「サブカルチャーの聖地」とされる一方で、多様な飲食店が軒を連ねる街、中野。ここで紹介する店舗は、どこも「酒の聖地・食の聖地」と言うべき実力派揃い。

So as to enjoy Izakaya in Japan

日本の居酒屋の楽しみ方

【What is "Otoshi"?】

It is a simple dish served first at Izakaya, before your orders come out. "Otoshi" is thought to come from Japanese phrases that contain the word, and mean "to prove that the order was placed" or "to bring guests to their seats." Generally, 300-500yen is added to your bill for "Otoshi."

「お通し」とは?

お通しは 居酒屋の 料理です。さいしょに でてきます。そのあとに 次の 料理が でます。
「お通し」という 名前は 意味が あります。「料理を たのんだ」や「お客さんを 案内する」 です。お金は 300円から 500円です。

【Tip is not required】

Contrary to the Western customs, Izakaya restaurants in Japan do not charge separately for service. If you receive an exceptional service, a sincere "Thank you!" will suffice.

【チップは 払いません】

日本で チップは 払いません。良い サービスを 受けたら、「ありがとう」と いいましょう。あなたの 気持ちが 伝わります。

【Order drink first】

At Izakaya, you might be asked for your drink order first. Knowing what you want to drink makes it easy to place the order. Many people order a beer first, such that a phrase, "Toriaezu Beer (first, a beer)," is commonly used. Toast to "another day of hard work" and "enjoying a meal with friends"!!

【飲み物 から たのみます】

居酒屋では さいしょに 飲み物を たのみます。さいしょに ビールを 頼む 人が 多いです。
そのときに「とりあえず ビール」と いいます。飲み物を のむ ときに「かんぱい」と いいます。
「かんぱい」は「1日 頑張りました」「ごはんを 楽しもう」という 意味です。

【No shoes in tatami rooms】

At an Izakaya, you may be seated on the floor in a Tatami room called "Ozashiki." Be sure to take your shoes off, when entering this room.

【お座敷では 靴を ぬぎます】

居酒屋には テーブルと お座敷が あります。お座敷は たたみの 部屋です。お座敷では 靴を ぬぎます。
