outline

mission

We aim to be on the forefront of business creation by providing arrangement services for taxi/bus services, hotels, ryokan, restaurant, interpreter guides and tickets for various public institutions.

Services we provide

01

Outsourcing charter vehicle arrangements

We have established a unique network of charter vehicles in cooperation with taxi, hire car and bus companies all over Japan. We will arrange various vehicles to suit your needs promptly and with great attention to detail. From business to leisure customers, we will provide multi-lingual support in Japanese, English and Chinese to ensure your requirements are met.

02

Tour planning service

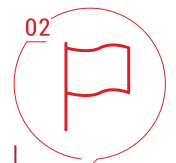

We will plan your tour according to the needs of the company / individual travellers. We will provide multi-lingual support in Japanese, English and Chinese when planning your tour and will translate the itinerary into your preferred language.

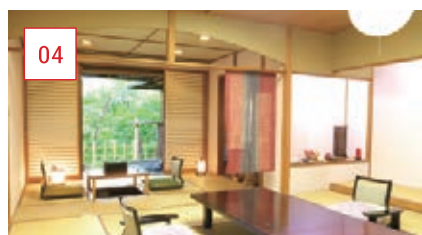

03

Arrangement of Interpreter guides

We can arrange not only Japanese speaking guides for sightseeing, but also various interpreter guides for overseas visitors. In addition to accompanying the traveller for sightseeing, they will offer services only interpreter guides can provide, like giving advice on shopping and emergency information when one falls ill. (Multi language support available.)

Japan Land Service Co., Ltd. has developed a network that connects travel agencies and individual users (overseas & domestic) with each service provider, and offers a wide variety of services that will help increase sales and improve business efficiency. We will continue aiming to become a company that ensures both our customers and business partners will benefit from our relationship.

 **Booking service for Hotels and Ryokan Accommodation**

From famous hotels to traditional ryokan accommodation, we will provide accommodation that suits the customer's needs and style. We will ensure you are provided with safe, comfortable and satisfactory accommodation plan so your stay in Japan is a fantastic one.

 **Booking service for Restaurants**

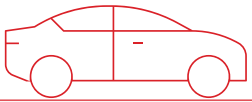

From the popular Japanese cuisine to fine dining restaurant and local izakaya style meals, leave your restaurant bookings to us. We will provide you with restaurant options that will meet your expectations in terms of budget, location and content. We will also cater for group reservations.

 **Booking service for various tickets**

We also arrange tickets for Shinkansen bullet trains and other public facilities, and theme parks. Very flexible transfer options are available to you by booking in combination with various charter vehicles, ensuring a smooth and stress-free trip.
