1

mesm Tokyo

mesm Tokyo, Autograph Collection is aiming to become an icon of urban luxury hotel in Tokyo, where is constantly evolving new style among traditional and innovation together. Not only formal, but also proficient hospitality will be provided in the public area filled with inspiration and a playful spirit.

Bringing "Kando" through the interior design, the spirit of the dazzling metropolis that keeps mesmerizing all the guests is what mesm Tokyo offers as hotel experience. Moreover, animated by magnificent view of the metropolis below the restaurant will open your eyes and allow you to feel the heartbeat of the urban city.

2

Introduction of town

The area, Hamamatsucho/Takeshiba is located in central Tokyo, with great accessibility to Tokyo's airports and rail terminals, Tokyo Station, Shinagawa Station, and Haneda airport. Despite its location in the metropolitan Tokyo, the area is close to the open waterfront and adjacent to the nature and greenery of Hama-rikyu Gardens, a traditional Japanese garden originally created for Shogunate in the Edo era (1603-1868) and the dazzling city view of Tokyo.

3

WATERS takeshiba

WATERS takeshiba is located in the Hamamatsucho / Takeshiba district of the Tokyo Bay area, which serves as a hub linking Tokyo's central economic district with its waterfront. mesm Tokyo, Autograph Collection, shopping areas, offices, and The Shiki-theaters will all be here in 2020 for a unique experience which will be exactly like nothing else. WATERS takeshiba embraces attracting views of Hama-rikyu Gardens and the dazzling city view of Tokyo. You are in close proximity to entertainment, art and culture, whilst also appreciating the natural environment and rich greenery.
