

MECHANICAL CITY INAGI

As the birthplace of mechanic designer Mr. Kunio Okawara who is still active, Inagi City is planning a project to create a city that is attractive to children and families, such as installing works that make you feel his designs in Inagi City, aiming for a lively city.

Yatterwan Monument

📍 Minamitamita Sta. North exit

There is smartphone stand for photography, and it is a photo spot where you can take photos like you are piloting a Yatterwan.

Mechanical design manhole covers are also installed at five locations in Inagi City.

Inagi City ORIGINAL CHARACTER

INAGI NASHINOSUKE & ONEKAN-fighters INAGI PEDALLION

In Inagi City, there are two original characters that are loved by everyone. Both were designed by Kunio Okawara. INAGI NASHINOSUKE is a pear-shaped MECHA with a motif of pears, a specialty of Inagi City. ONEKAN-fighters INAGI PEDALLION is a character that symbolizes the "bicycle town Inagi".
