Comfortable Tokyo sightseeing

Tokyo Sightseeing Taxi: Providing

POINT
1

Private charters for small groups

- Personalized service for small groups.
- A wide variety of vehicle types to choose from, seating from four to nine passengers.
- Ideal for sharing with family and friends.

POINT
2

Enjoy sightseeing without luggage

- Leave your luggage in the taxi and explore with ease.
- Save time and travel with a taxi.

How to use this booklet

The times and fares listed in the model routes are examples of approximate guidelines based on using a sedan taxi for up to four people.

The 10 routes listed in this booklet are sample routes. Some companies may not offer them. If you'd like to take a different route or visit a specific spot, please contact the taxi company that you would like to sightsee with.

The hotels for departure and arrival (pickup and drop-off) are assumed to be in central areas such as Chiyoda, Chuo, Minato, Shinjuku, Taito, and Shibuya cities.

Information on each facility is current as of September 2026.

Tokyo Sightseeing Taxi is a chartered taxi service that picks up and drops off passengers at their designated locations and tours Tokyo's tourist attractions with a certified Tokyo Sightseeing Taxi driver who meets the tour guide standard for taxis. Some certified drivers are Tokyo Metropolitan Area Licensed Interpreter Guides based on the Licensed Interpreter Guide Act. They can show you around in English. With drivers possessing tourism knowledge and providing high-quality service, you can enjoy sightseeing in Tokyo with excellent transportation.

excellent service to tourists in Tokyo

POINT
3

Flexible route setting Customize your tour as you like

- You're free to decide on times and places to visit.
- Arrangements can be made according to the day's weather and your preferences.

POINT
4

The driver serves as a sightseeing guide

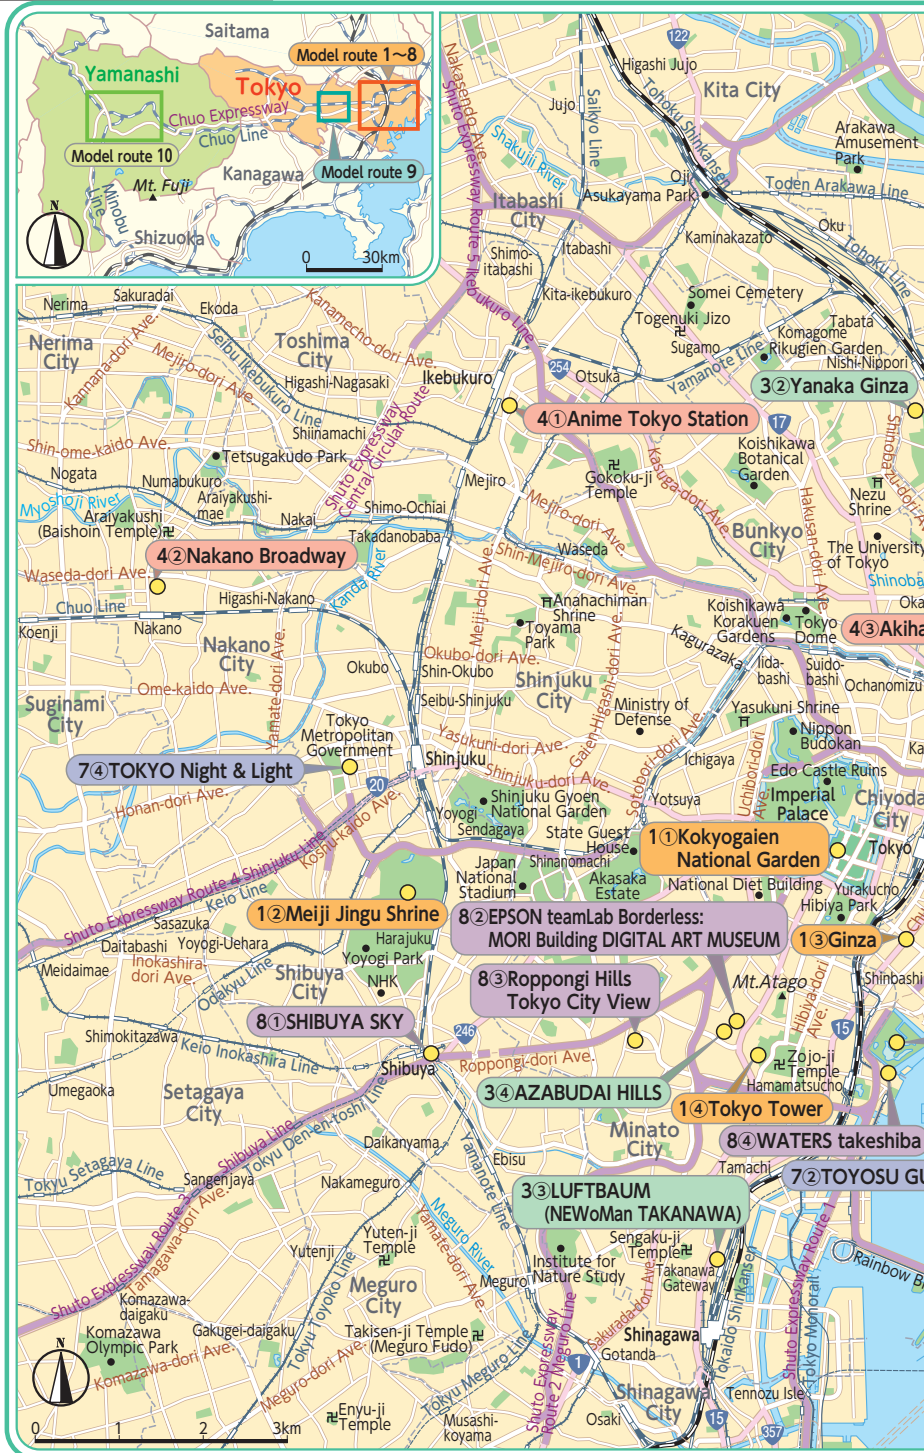

- Easy-to-understand explanations from knowledgeable drivers.
- You can consult with your driver about the route and restaurants that fit in your schedule.

■ Notes on using Tokyo Sightseeing Taxis

- (1) Reservations are required; please contact the taxi company you would like to sightsee with.
- (2) If the pick-up or drop-off location is within the 23 wards of Tokyo or the Tama area, you can freely set your route, including the schedule, pick-up/drop-off locations, and places to visit.
- (3) Fares vary depending on the schedule and taxi company. Fares will also fluctuate depending on pick-up/drop-off, places to visit, traffic conditions on the day, and driver selection. Please check with the taxi company.
- (4) The schedule includes time for shopping and meals.
- (5) Parking fees, facility entrance fees (including the driver's), highway tolls, and meals are paid by the sightseers.
- (6) The driver will accompany and guide you except for at some facilities that do not allow the driver to enter.
- (7) Some facilities will require that you make your own reservations. Please check with the taxi company when booking a sightseeing taxi.
- (8) Please check the website (English) listed on p. 27 to find taxi companies with English-speaking drivers.

This classic route is perfect for first-time visitors to Tokyo, covering all the must-see spots from historic train stations and the lush Koryogaien National Garden to the tranquil Meiji Jingu Shrine and the iconic Tokyo Tower. Enjoy Tokyo's most well-known landmarks and experience the city's diverse charms.

Voice

As it was my first time sightseeing in Tokyo, I thoroughly enjoyed visiting Tokyo's classic landmarks. The travel was smooth; even the time spent gazing at the cityscape from the car window was memorable.

③ Ginza

11:10 (Short route)
11:30 (Long route)

Ginza, with its glamorous atmosphere, is a paradise for shoppers. Centered around the 4th Street intersection, the area is home to numerous department stores, commercial facilities, famous domestic and international brand stores, and sophisticated shops. Since riding a taxi enables you to leave your purchases in the taxi, you can enjoy shopping without carrying any bags.

④ Tokyo Tower

12:40 (Short route) 13:30
13:30 (Long route) 14:30

Tokyo's iconic tower stands 333 meters tall. From the main deck at 150 meters and the top deck at 250 meters, you can enjoy panoramic night views of Tokyo. In the evening, 180 lights illuminate the tower, creating a spectacular display. The lighting changes seasonally, adding to the enjoyment.

- ☎ 03-3433-5111
- 🕒 Main deck: 9:00-23:00 (Final entry 22:30)
Top deck tour: 9:00-22:45 (Final tour 22:00-22:15)
- 📅 Open all year round
- 💰 Main deck: Adults ¥1,500; High school students ¥1,200; Elementary and middle school students ¥900; Ages 4 and up ¥600
Top deck tour: Adults ¥3,500; High school students ¥3,300; Elementary and middle school students ¥2,300; Ages 4 and up ¥1,700
*Discounts are available for top deck tours only for online advance reservations.
- 🅑 ¥800 for 60 minutes, additional ¥400 every 30 minutes
*Sightseeing taxis receive preferential treatment regarding parking fees.

Explore Traditional Downtown Culture and Future

① Kappabashi Kitchenware Town®

Hotel
(Tokyo)

9:30

10:00 (Short route)

10:00 (Long route)

Along the approximately 800-meter-long street are about 160 shops selling kitchen knives and other cutlery, Japanese tableware, food samples, and convenient cooking gadgets. Everything related to food is available. Since you can buy cooking tools crafted by skilled artisans right at the stores, the street attracts many people from professional chefs to the general public.

☑ ☑ Varies by store

📄 <https://www.kappabashi.or.jp/en/>

② Yanaka Ginza

10:50 (Short route)

11:00 (Long route)

This shopping street retains the charm of the Showa era and exudes the atmosphere of a traditional town. Along the approximately 170-meter-long street, about 60 shops, mainly traditional local stores, line the street, offering an area for strolling, eating, and shopping. From Yuyake Dandan steps at the entrance of the shopping street, enjoy a panoramic view of the picturesque townscape. With temples, shrines, and historical streetscapes spreading out in the surrounding area, this popular spot epitomizes a stroll through the Yanesen area.

☑ ☑ Varies by store

15:00

15:30 (Short route)

15:30 (Long route)

② TOYOSU GURURI PARK

16:50 (Short route)

17:15 (Long route)

This garden became a villa of the Tokugawa shogunal family during the reign of the sixth shogun, Ienobu Tokugawa. After undergoing numerous renovations, it evolved into a quintessential daimyo garden of the Edo period. In addition to the tidal pond, which draws in seawater, there are two duck hunting grounds. Several tea houses that once stood here have been restored, and visitors can enjoy matcha at the Nakajima Tea House located by the tidal pond.

This spacious park stretches along the waterfront near Toyosu Pier. See the Rainbow Bridge, Tokyo Tower, Odaiba across Tokyo Bay, and feel close to the sea, sky, and greenery. Relax and enjoy the waterfront scenery as it changes from day to dusk and into night, along with a pleasant sea breeze.

teamLab Borderless is a world of artworks without boundaries, a museum without a map created by art collective teamLab. Artworks move out of rooms, relate to other works, influence each other, and at times intermingling, without boundaries. Through this group of works, one continuous world without boundaries is created. Immerse your body in borderless art. Wander, explore with intention, discover, and create a world with others.

This tour takes you to iconic observation spots and trendy art spaces, enabling you to enjoy the fantastic Tokyo night view. Spend a special Tokyo night while taking in the different expressions of the glittering cityscape and the beautiful view of the waterfront.

Voice

I fully enjoyed the charm of Tokyo at night, such as the night view from high places and the light show. Traveling at night by taxi was great, and I was able to visit popular spots even with limited time.

Roppongi Hills Observation Deck Tokyo City View

Roppongi Hills Observation Deck Tokyo City View

In this tour you will experience the rich nature, culture, and charm of craftsmanship of the Musashino and Tama areas. While visiting historical buildings, factories, a facility that brings you closer to outer space, and lush parks, you can fully enjoy the laid-back charm of Tokyo distinct from the bustling city center.

Voice

I spent a leisurely time enjoying nature and culture that you can't find in the city center. Even spots that are a little further away were easy to reach by taxi, enabling me to tour the area while making the most of my time.

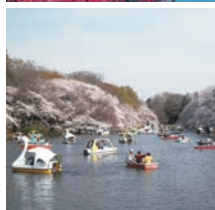

③ National Astronomical Observatory of Japan (NAOJ) Mitaka Campus

13:00 (Short route)
14:00 (Long route)

This is the headquarters of the National Astronomical Observatory of Japan, a center for astronomical research in Japan. Part of the grounds features a tour open to the public, where you can explore historic buildings. An exhibition hall showcases cutting-edge research findings. With multilingual guided tours and audio guides available, explore the grounds and learn about the history of astronomical research and the fascination of astronomy.

② Kofu City

12:30

The historic streets of Kofu City offer a delightful stroll through the area, enabling visitors to experience the city's charm. With restaurants serving local specialties, including Yamanashi's famous hoto noodles, and shops offering unique local souvenirs dotted throughout the area, you can fully immerse yourself in the region's history and culinary culture. You can easily enjoy the unique charm of Kofu.

*These are model routes. The schedules and fares are estimates.

*The sightseers will pay for the parking fees, facility entrance fees, highway tolls, meals, and local licensed English-speaking guide if one is hired.

*Please note that the pricing for long-distance sightseeing tours is not the same as the sightseeing tours in Tokyo.

A short trip from Tokyo enables you to fully enjoy the history, rich culinary culture, and wine charm of Kai Province, which is Yamanashi Prefecture today. Explore sites associated with Takeda Shingen, the powerful lord, and soak in the atmosphere of the castle town, enjoying Yamanashi's unique cuisine and touring local wineries.

Voice

I fully enjoyed the history, town walks, and winery visits all in one day. Getting around by taxi was comfortable, and I could enjoy sightseeing at a leisurely pace without worrying about the time.

③ Takeda-jinja Shrine

13:40

This shrine enshrines Lord Takeda Shingen, a renowned general of the Warring States period, as its principal deity. It is located on the site of the Tsutsujigasaki Castle Ruins, a national historical site where three generations of the Kai Takeda clan resided. The moats and stone walls from that time convey the past. The shrine grounds feature many points of interest, including a treasure hall and the auspicious Three-Leaf Pine, making it a delightful place to stroll while soaking in the atmosphere of history and the changing seasons.
